

Night Flying! A Pacific Coast Flyers Event!

Come spend an hour with an expert who will teach you new tips and tricks to stay safe and enjoy flying more at night. This hands on entertaining class will teach you everything from flight planning, emergencies and, at least 3 new cool tricks most people don't know!

Directions: The meeting will be held at the Palomar Airport Administration Building which is the first structure on the left as you enter the airport property. Please proceed past the building to the main parking lot which is down a short grade on the left.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
